The syllabus has seen a lot of improvement from the earlier times and the students way of tackling the legal problems have improved alot

College curriculum be revised to place equal emphasis on Rules and Acts, alongside Arbitration, to better prepare students for the dynamic professional landscape. Arbitration develops critical dispute resolution skills, vital in various industries. Current curriculum lacks foresight, focusing solely on present structures. Incorporate future-focused topics to equip students for evolving industry demands.

REPORT ON FEEDBACK ON CURRICULUM BY EMPLOYER

As regards the employers opinion on the relevance of the courses in the curriculum of the various programmes, majority of them feel that they are very good and indeed it helps the student for the law practice, in their oral skills as well as drafting.

They are also of the view that the communication skill and research aptitude of the students is quite good. They have opined that the syllabus has improved a lot thereby giving equal weightage to the practical component. They suggested for inclusion of more courses in the curriculum. They have also stated that the syllabus is in tune with NEP.
